Executive Roundtable

What are Executive Roundtables?

Offered exclusively to members of the Metro Atlanta Council for Entrepreneurship, the Executive Roundtable is an exclusive association of dynamic business leaders designed to build your business knowledge and increase your productivity and profitability.

The Executive Roundtable will function as your informal Board of Directors. The groups offer a confidential sounding board for your challenges and a place to relish in your business successes.

Roundtables are peer group forums for entrepreneurs, executives, and business owners that directly impact an organization's bottom line. They meet independently on a monthly basis and set their own agendas and schedules based upon the needs of each individual group. We invite you to become a part of this exclusive group.

Who is eligible?

The Executive Roundtable is open only to members of the Gwinnett Chamber of Commerce. The participant must be the single decision maker for the company and must have the authority to make final decisions. i.e.- owner, CEO, partner, general manager, principal, etc. This is not a leads generation group.

What is required?

- Regular attendance is essential to the success of the group and the participant. Participants are required to attend 80% of all meetings.
- Group participants must maintain complete confidentiality of the information shared in the roundtable groups.
- Participants must dedicate their time and efforts to the group and must be committed to the success of each member by encouraging diversity of business skills, industries, education, perspectives and contacts.

How do I join?

Complete the attached questionnaire form along with the confidentiality agreement and fax, email or mail it to the Gwinnett Chamber of Commerce.
