

## WE NEED YOUR PARTICIPATION TO HELP SHAPE THE GWINNETT COUNTY CTP!

### What's a CTP?

A Comprehensive Transportation Plan, or CTP, serves as a roadmap for how a community would like their transportation network to develop so it best serves their current and future needs. After hearing your transportation needs during 2016 public meetings and focus groups, at community events and festivals, and through an online survey, the planning team is preparing for its second round of public meetings. We've incorporated your ideas and concerns into a robust list of project and policy recommendations that now needs your input for further refinement.

### How can I help?

Get involved in the planning process—come to a meeting, take our survey, and visit our website!

#### VISIT THE PROJECT WEBSITE

»» destination2040gwinnett.com

#### TAKE THE ONLINE SURVEY

»» destination2040.metroquest.com

#### ATTEND A PUBLIC MEETING

Each meeting will feature the same content, so attend the one most convenient for you! These meetings are designed as drop-in sessions with a brief presentation as well as interactive stations. Our activity stations will help you learn more about the Destination2040 transportation projects, the Countywide Trails master plan, and upcoming transit enhancements.

##### Monday, February 27<sup>th</sup> | 5:30 - 7:30 PM

Lilburn City Hall
